

From The Desk of Rev. Dr. Brince C. Benford, Sr.  
Pastor of Present Glory Missionary Baptist Church

We are honored to take this opportunity to send you these words of greeting as your Pastor and the First Lady of Present Glory Missionary Baptist Church.

What an awesome journey this has been! Words cannot express just how wonderful and magnificent God has been to this ministry! God has shown His indescribable and powerful love for His church (Present Glory Missionary Baptist Church) and His omnipotent power to rule over it!

As a humble servant of God, one who has been chosen to lead His people, I vow to lead, teach and minister according to His Word and in His will. I understand that in order to be catapulted into your destiny you must first be willing to listen to God for his divine instructions and then follow and implement those guidelines that He has ordered. God has magnificent blessing for us and I, (we) will not deviate from his directive.

All that we've accomplished at Present Glory Missionary Baptist Church has not been by my ability, neither has it been by yours. It has been the Will and Grace of God and His ability to work from within us. His priorities will remain my priorities as I continue to seek His wisdom in all matters.

My prayers are for each of you to continue to be receptive to God's Word. Allow his Word to take root in you; to penetrate the very fibers of your lives. Meditate on it, study it and walk in it and allow it to lead you throughout your day and make it the guiding force in your life. Make it your vow to seek understanding and rejoice in the power of God!

We are a blessed church family and I thank God for all of you. Continue to pray for me and my family as each of you are always in my prayers. Pray for the leadership and growth of Present Glory Missionary Baptist Church as we are moving into an assignment much greater than before. As stated earlier, "the journey has been an awesome one but it is not over yet"! There is still work to do and God wants to do it through you. So position yourselves for the promises of God and know that the beginning has been wonderful, but I do know that the awesome Church family that you are and as we continue to grow together bonded by Grace, Faith and Prayer, God will bless our future to be more magnificent than the years past.

Continue to be led by the Spirit of God and grow and fellowship as one in the body of Christ.

Be blessed,

*Rev. Dr. Brince C. Benford, Sr.*
